

FP3012W1MB-1

Flat Panel LED Lighting

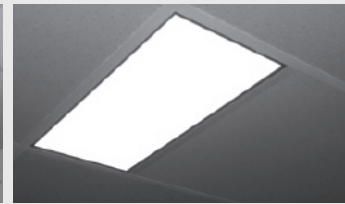

- Low profile LED Panel light
- Recessed, Pendant or wall mount
- Proven high quality LED's

Length x Width x Height	295 x 1195 x 9mm
Trim	Aluminium
Weight	3.76Kg

- **Ultra Low Power Consumption:**
Reduced Energy Bills
- **Instant Start:**
No warm up time needed
- **Low Heat:**
Reduction in air-conditioning running costs
- **No Mercury Lamps:**
No specialist waste management required

Recessed

Mounted

Simple Connection

Model Name / Part Number		Flat Panel: FP3012W1MB-1	
Typical Power (Watts)		38	
Typical Lumen output		3320	
Total circuit watts when used with recommended power supply		37.7	
Lumens per circuit watt		88	
Colour Temperature		3000 K	
CRI		80±2	
Uniformity		80%+	
Power Factor when used with recommended Power Supply		0.9 +	
Supporting Surface material		Aluminium	
Panel Class - Panel Only-		Class III	
IP Rating - Panel Only-		IP20	
Typical ambient operating Temperature		25°C	
Maximum operating temperature - Panel Only-		+50°C	
Lifetime to L70		40,000 + Hours	
DC Rated input voltage /Current - Panel Only-		24-36 V / DC 1200mA	
Power supply and control options		Non Dimmable: PCS045-120-1	Dimmable: PCM045-120-1
Accessories		Emergency Kit / Hanging kit / Mounting Brackets
